Friends United Foundation

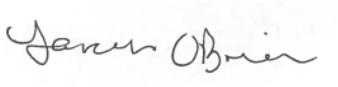

On behalf of Antigonish Memorial Regional Hospital, I would like to express our sincere gratitude for your generous donation of Indigenous artwork to our facility.

Displayed throughout our hallways, patient care units, and public spaces, these pieces have enhanced our hospital environment and are appreciated daily by patients, families, visitors, staff, and physicians. The artwork brings beauty and meaning to our spaces while celebrating Indigenous cultures, traditions, and perspectives.

Your generosity has helped create a more welcoming and inclusive environment and has provided meaningful opportunities for reflection, learning, and cultural appreciation. The presence of this artwork contributes positively to the healing atmosphere we strive to provide and serves as a reminder of the importance of honouring and celebrating Indigenous voices and heritage.

We ae deeply grateful for your support and dedication to our community.  Your contribution will leave a meaningful legacy, and we are proud to showcase this work throughout our hospital.

Sincerely,

Sarah O'Brien, Director of Integrated Health & Site Lead
Antigonish Memorial Regional Hospital
