To Whom It May Concern:

My Name is Barry Bernard, Head Coach of Eskasoni Red Tribe Boxing club for the past 10 years. Since every fund raising events that we have organized, from Boxing cards, Food Banks Rally's, women's Transition Houses & and a special Benefit concert for a young Mikmaq woman fighting cancer, our sponsors like Friends United have supported us in many ways. This nonprofit organization has made a great change in our community and with our Mi'kmaq people & friends.

Planning events takes lot of planning, coordination and cooperation from all parties involved. Our Mikmaq Goal purpose is to promote upcoming youth to enhance their growing careers in the field of boxing and become role models in our communities. However, to make such events happen we need adequate financial support from local business and corporations. With One of great sponsor we have received from Friends United it gives our Boxing Club that opportunity take our Mi'kmaq youths to Boxing events, such as USA, Jamaica, Toronto, Montreal, NFLD & Maritimes. One of the biggest donation we received from Friends united, is during our construction of building a new club, they provided the total cost of Drywall & labor which reached a few thousands of dollars.

Friends United is an strong supporter to our boxing program, but its also an addition to our boxing family, having huge support gives our young Mi'kmaq boxers that opportunity of first time flying, seeing other cities, making lasting friendships with other boxing clubs and becoming young strong Mi'kmaq person that are proud of their heritage.
